Multiplex perfectly portrays the real foibles and friendships of a lousy job with a couple of perks. Also, it looks round and colorful and sweet, like delicious candy. I recommend reading *Multiplex* over getting an actual job.

— Bryan Lee O'Malley, *Scott Pilgrim vs. the World*

Welcome to the Multiplex 10 Cinemas!

MULTIPLEX: ENJOY YOUR SHOW is the first print collection of *Multiplex*, the blockbuster webcomic about a low-brow movie buff Kurt and a high-brow film snob Jason, who wage a never-ending battle against the terrible movies and even worse customers infesting their movie theater.

This giant volume pulls together the first 102 strips from the archives, plus over 30 bonus comics, character bios, and an all-new, 12-page prequel story exclusive to this collection set on opening night of *Star Wars: Episode III – Revenge of the Sith!*

Multiplex: Enjoy Your Show is available online and at bookstores and comic book shops everywhere. Creator Gordon McAlpin is available for interviews and store appearances, and McAlpin will be appearing at Wizard World Chicago Comic Con (August 11–14, 2011) and MiX (November 5–6, 2011), among other comic book conventions, as well. Review copies are available by request.
